

A Happy Getaway Is A Safe One.

Best Practices in place to ensure the highest levels of safety.

GANDIPET, HYDERABAD

Car sanitisation upon arrival followed by temperature screening of guests. All bags and vehicles will be sanitised as well.

The tables and chair at our restaurants are being sanitised after every meal and all crockery used is being disinfected in food-grade Chlorine.

All groceries, meat and fruits & vegetables are being washed and sanitised carefully before use.

Protocols of social distancing, wearing of masks and regular hand sanitisation stations are in effect across The Golkonda Resort for your safety.

Regular and robust sanitisation of all touchpoints in common areas, and deep cleaning of every room upon guest checkout. High touch surfaces in the rooms and common areas will be disinfected thoroughly.

All restaurants are following WHO guidelines while preparing and serving food. Our staff is equipped with gloves, masks and face shields. All utensils are also being thoroughly washed and sanitised after every meal.

Check-in and checkout can be done digitally. All guests arriving will be asked to share detailed information. Cash or card will be disinfected before return. A safety kit is available at the front desk for guests to use.
